The best choice in business printing

Whether you own a business, run an office, manage IT, or lead procurement, HP delivers a wide variety of devices to help you get work done.

Quality

Proven quality and reliability from the printer brand you trust.

Performance

Blazing fast print speeds and stunning output quality.

Design

Stylish, innovative products delivering efficient, cost-effective results.

World's most secure¹

Unparalleled security plus manageability, workflow, and mobile solutions.

Services

From standard warranties to a fully-managed fleet, HP services keep your business printing.

Find the product line to best match your business printing needs

HP OfficeJet Pro

Affordable, professional colour—big performance in a compact package for small business.

1 to 5 users

HP PageWide

Breakthrough value for HP's fastest speeds,² best energy efficiency,³ and professional colour.

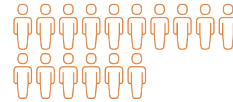

3 to 15 users

HP LaserJet

Leading laser performance with premium colour and HP's best value for black-and-white printing.

1 to 25+ users

Up to A3
Up to 500-sheet input

Lower operating costs

Professional document quality

Essential security and management features

Fast printing speeds

Up to A3
Up to 4,650-sheet input
Staple, collation

HP's lowest operating costs⁴

Professional document quality

Essential and Advanced security and management features

HP's fastest printing speeds

Up to A3
Up to 4,600-sheet input
Staple, collation, hole punch, booklet

Low operating costs

Professional plus premium document quality

Essential and Advanced security and management features

Faster printing speeds

Choose from a broad portfolio of HP printers, MFPs and all-in-ones that help simplify the way work gets done. Rely on cost-effective, dependable devices from the world's #1 printer vendor.⁵

Buyer's Laboratory, LLC named HP Inc. the **Most Reliable Printer and MFP Brand** for 2018-2021. BLI's newest award is based on lab-tested reliability data from 2012-2018, honouring the vendor whose product line surpasses the rest.

Ease of use. HP devices just work, with intuitive user interfaces and sleek, simple designs that fit right into your office environment. Installation is quick, with no product assembly required.

Stunning print quality at blazing fast speeds. Consistent, excellent output will make your business shine. HP LaserJets deliver crisp, clean text and print-shop quality colour. HP OfficeJets and PageWide devices produce professional colour documents that resist fading, water, and highlighter smears⁶—for a low cost per page.

Great value. HP devices are solidly built and reliable for the long haul, with competitive purchase prices and low operation costs. Some devices offer high-capacity cartridges for even more affordable printing.

Simple HP JetAdvantage Mobile Print Solutions.⁷ Many HP devices are Mopria certified for easy printing from your smartphone, tablet, or laptop without a special app or software.⁸ Some products come with peer-to-peer Wi-Fi Direct[®] printing and touch-to-print (NFC) technology.⁹ You can add these capabilities to many existing devices with mobile printing accessories. With HP Roam for Business, submit while on the go, then release simply and securely at any enabled office printer.¹⁰

World's most secure printing.¹ HP Pro and Enterprise devices offer a variety of embedded security features and optional solutions to protect hardware and safeguard data. Defend your network with self-healing technologies that guard against complex security threats. Apply efficient, fleet-wide security policies to protect all your HP print devices with optional HP JetAdvantage Security Manager.¹¹

Innovative HP JetAdvantage Workflow Solutions. Capture, store, access, and deliver the content you need—all while helping to reduce costs. The robust image preview feature and Quick Sets on HP Enterprise MFPs save time. Zoom in and inspect scanned jobs and add, delete, reorder, or rotate pages, right at the device. At the touch of a button, launch complicated workflows to a variety of destinations.

Versatile HP JetAdvantage Management Solutions. Many HP Pro products and all Enterprise products are supported by HP Web Jetadmin (WJA).¹² Improve fleet uptime by centrally monitoring and controlling devices—and assess and optimise usage with a variety of reporting tools. For simple one-to-one device management, use the HP Embedded Web Server (EWS). The HP Universal Print Driver (UPD) makes it easy to connect and print.¹³

Features to help reduce environmental impact. Many HP devices are Blue Angel and ENERGY STAR[®] certified and include energy-saving features such as Instant-on Technology and Auto-On/Auto-Off Technology.¹⁴ Because HP OfficeJet and PageWide products have no fuser, they typically have low energy consumption.

Select the right device

The right imaging and printing product can save you time and help cut costs. Yet with all of the available HP devices, how do you choose? See [page 5](#) for questions to help you select devices for small and medium office, branch office, or home office. See [page 15](#) for questions to ask when choosing enterprise-class devices.

How to select the right device for your small office

When choosing an HP device for a small or medium office, branch office, or home office, start by answering the following questions.

USERS

1-5 users

or

3-10 users

TYPE OF DOCUMENTS

Mono

or

Colour

FUNCTION

Printer

or

MFP/AiO

SPECIALTY DEVICES

Wide-format

or

Mobile

How many users will print how many pages each month? Consider:

- The recommended number of users
- The recommended monthly page volume (RMPV)¹⁵
- The device's listed print speeds

What kinds of documents do you primarily print?

- HP OfficeJet devices deliver professional everyday document quality at a low cost-per-page
- PageWide devices offer professional everyday documents at HP's lowest print operating costs,⁴ along with faster print speeds² and less energy use³ than in-class laser printers
- HP LaserJets deliver print-shop quality output for impressive colour marketing materials
- Monochrome LaserJets offer HP's best value for black-only prints
- A4 devices support a variety of standard paper sizes; wide-format devices support documents up to A3
- HP OfficeJet Mobile printers and all-in-ones are compact and lightweight for easy printing or scanning on the go

Do you need to scan, copy, or fax? Do you require document workflow or storage solutions?

- If you only need to print, choose an HP OfficeJet, LaserJet, or PageWide printer
- If you're looking for scanning, copying, and faxing capabilities, you need a multifunction product (MFP) or all-in-one (AiO)
- Devices with control panel business apps allow you to view and print directly from the Web
- HP OfficeJet Pro all-in-ones and LaserJet or PageWide Pro MFPs support core workflows, such as scanning to email or network folders—and some products support optional workflow solutions such as HP Quick Forms, HP Scan to Cloud, and eStorage such as Google™ Docs or Box.net

Do you need to share the device?

- Most HP devices offer Ethernet or wireless networking
- Support for mobile printing lets users print from their smartphone or tablet—easily print from a Mopria-certified device;⁸ print on the go with HP ePrint;¹⁶ print from an iPad, iPhone, or iPod touch with Apple AirPrint;¹⁷ choose Wi-Fi Direct, NFC touch-to-print, or Bluetooth® Low Energy for secure peer-to-peer wireless printing without connecting to the network;⁹ or with HP Roam for Business, submit while on the go, then release at any enabled office printer¹⁰
- Devices with an easy-access USB offer quick printing from or scanning to a thumb drive

What kind of management and security support do you require?

- Networked devices can be individually managed via the HP Embedded Web Server (EWS)
- If you require remote management of core configuration and security options, choose a device that's supported by HP Web Jetadmin at the essential level¹²

Detailed benefits comparison

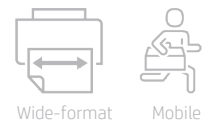

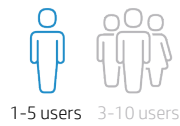

The tables on the next several pages provide a quick overview of the HP OfficeJet, LaserJet, and PageWide products recommended for small and medium office, branch office, or home office in your region.

Single-function printers start on [page 6](#), with all-in-ones and MFPs starting on [page 9](#). Find wide-format devices on [page 13](#), and devices designed to be portable on [page 14](#).

For information about devices recommended for enterprise environments, please see [pages 15-24](#). See [pages 25-30](#) for at-a-glance summaries of all currently available products.

How to select the right device for your enterprise

When choosing an imaging and printing product for your company's large work team, workgroup, or department, you should consider some additional questions.

USERS

TYPE OF DOCUMENTS

FUNCTION

MANAGEMENT

Consider devices designed for 3-10 users

Many of the HP OfficeJet, PageWide, and LaserJet Pro devices listed on [pages 8 and 11-12](#) are an excellent choice for small work teams or for remote branches in enterprise environments. They offer Pro level security and manageability at an affordable price.

How many users will print how many pages each month? Consider:

- The recommended number of users
- The recommended monthly page volume (RMPV)¹⁵

What kinds of documents do you primarily print?

- HP PageWide devices offer HP's lowest print operating costs,⁴ and best energy efficiency,³ while delivering professional everyday document quality at HP's fastest speeds²
- HP LaserJets deliver leading laser performance, with print-shop quality output for impressive colour marketing materials
- Monochrome LaserJets offer HP's best value for black-only prints
- A4 devices support a variety of standard paper sizes; wide-format devices support documents up to A3
- Enterprise finishing options may include mailboxes, stapling, hole-punching, or booklet-making

How sophisticated are your workflow needs?

- If you only need to print, choose an HP OfficeJet, PageWide, or LaserJet printer
- HP Pro MFPs support core workflows, such as scanning to email or network folders
- Enterprise MFPs offer more send-to destinations, Quick Sets for launching one-touch workflows, and superb image preview and enhancement on a large, colour touchscreen
- Flow MFPs have more advanced scanning, processing, and routing capabilities

What level of IT management integration do you require?

- HP Enterprise devices fit best in IT-managed environments, with advanced security controls like user authentication and PIN-enabled printing; HP OXP-enabled integration for hundreds of available partner solutions; advanced HP Web Jetadmin support for fleet management, monitoring, and reporting;¹² and upgradeable HP FutureSmart firmware²¹
- HP Pro printers or MFPs are a good fit for lightly managed environments such as branch offices, offering essential management of core features via HP WJA
- All Enterprise and some Pro devices are supported by HP Universal Print Driver¹³

Meet your team's needs with the right type of device

HP LaserJet Pro printers and MFPs—Reliable and easy to use, these laser devices deliver print-shop-quality colour documents, with LaserJet Pro MFPs offering the core workflow features many small work teams need. Some are supported by HP UPD and have essential configuration, security, and monitoring features that can be managed through HP WJA.

HP PageWide Pro printers and MFPs—These devices offer the lowest total cost of ownership in their class,⁴ along with essential support for HP WJA, UPD, and some solutions. PageWide Pro MFPs add core workflow features. Plus, the HP PageWide Pro series offers faster speeds² and lower energy consumption³ than in-class laser printers.

HP LaserJet Enterprise printers and MFPs—These workhorse devices support all HP enterprise solutions and offer robust security options along with advanced fleet monitoring, management, and reporting. Choose a LaserJet Enterprise MFP for enhanced workflow features—including embedded scan to Microsoft® SharePoint® on the latest models.

HP PageWide Enterprise printers and MFPs—These devices deliver the lowest print operating costs.⁴ Get enterprise manageability, security, and extensibility, along with faster print speeds (General Office mode)² and best-in-class energy efficiency.³ PageWide Enterprise MFPs offer enhanced workflow features.

HP LaserJet and PageWide Enterprise Flow MFPs—Streamline workflows with built-in optical character recognition (OCR), fast two-sided, single-pass scanning, HP EveryPage to avoid missed pages, a pull-out external keyboard for easy data entry, and a host of other features.

HP printers and MFPs at a glance

The tables below offer a quick summary of currently available HP printers, all-in-ones, and MFPs in your region. For more details about these products, please see the tables on [pages 6-14](#) and [16-24](#), the data sheets for individual products at hp.com, or contact your HP representative.

Mono single-function

1-5 users

HP LaserJet Pro M102 printer series

RMPV¹⁵ 150-1,500
Duty cycle Up to 10,000
Print speed (A4)¹⁸ Up to 22 ppm
Maximum input²² Up to 160 sheets

HP LaserJet Pro M203 printer series

250-2,500
 Up to 20,000
 Up to 28 ppm
 Up to 260 sheets

3-10 users

HP LaserJet Pro M304a

RMPV¹⁵ 750-4,000
Duty cycle Up to 80,000
Print speed (A4)¹⁸ Up to 35 ppm
Maximum input²² Up to 900 sheets

HP LaserJet Pro M404 series

750-4,000
 Up to 80,000
 Up to 38 ppm
 Up to 900 sheets

5-15 users

HP LaserJet Pro M501dn printer

1,500-6,000
 Up to 100,000
 Up to 43 ppm
 Up to 1,200 sheets

HP LaserJet Enterprise M507 series

2,000-7,500
 Up to 150,000
 Up to 43 ppm
 Up to 2,300 sheets

10-30 users

HP LaserJet Enterprise M607 printer series

RMPV¹⁵ 5,000-20,000
Duty cycle Up to 250,000
Print speed (A4)¹⁸ Up to 52 ppm
Maximum input²² Up to 4,400 sheets

HP LaserJet Enterprise M608 printer series

5,000-25,000
 Up to 275,000
 Up to 61 ppm
 Up to 4,400 sheets

HP LaserJet Enterprise M609 printer series

5,000-30,000
 Up to 300,000
 Up to 71 ppm
 Up to 4,400 sheets

HP LaserJet Enterprise 700 printer M712dn

5,000-20,000
 Up to 200,000
 Up to 41 ppm
 Up to 4,600 sheets

20+ users

HP LaserJet Enterprise printer M806 series

RMPV¹⁵ 10,000-50,000
Duty cycle Up to 300,000
Print speed (A4)¹⁸ Up to 56 ppm
Maximum input²² Up to 4,600 sheets

Colour single-function

1-5 users

**HP OfficeJet
200 Mobile Printer**

RMPV¹⁵ 100-300
Duty cycle Up to 500
Print speed (A4)¹⁸ Up to 10 ppm black, 7 colour
Maximum input²² Up to 50 sheets

**HP OfficeJet
7110 Wide Format ePrinter**

A3

200-800
 Up to 12,000
 Up to 15 ppm black, 8 colour
 Up to 250 sheets

**HP OfficeJet Pro
6230 ePrinter**

200-800
 Up to 15,000
 Up to 18 ppm black, 10 colour
 Up to 225 sheets

**HP OfficeJet Pro
8210/8218 printer**

RMPV¹⁵ 250-1,500
Duty cycle Up to 30,000
Print speed (A4)¹⁸ Up to 22 ppm black, 18 colour
 (8218: up to 20 black, 16 colour)
Maximum input²² Up to 500 sheets

**HP Colour LaserJet Pro
M254 series**

150-2,500
 Up to 40,000
 Up to 21 ppm black and colour
 Up to 250 sheets

3-10 users

**HP PageWide Pro
452dw printer**

RMPV¹⁵ 750-4,500
Duty cycle Up to 50,000
Print speed (A4)¹⁸ Up to 40 ppm ISO, Up to 55 ppm
 general office mode black and
 colour
Maximum input²² Up to 1,050 sheets

**HP LaserJet Pro
M454 series**

750-4,000
 Up to 50,000
 Up to 27 ppm black and colour
 Up to 850 sheets

5-15 users

**HP PageWide Colour
755dn printer**

A3

RMPV¹⁵ 2,500-15,000
Duty cycle Up to 75,000
Print speed (A4)¹⁸ Up to 35 ppm ISO, Up to 55 ppm
 general office mode black and
 colour
Maximum input²² Up to 4,650 sheets

**HP Colour LaserJet Enterprise
M552dn printer**

2,000-6,000
 Up to 80,000
 Up to 33 ppm black and colour
 Up to 1,200 sheets

**HP Colour LaserJet Enterprise
M553 printer series**

2,000-6,000
 Up to 80,000
 Up to 38 ppm black/colour
 Up to 2,300 sheets

**HP PageWide Enterprise Colour
556dn printer**

2,000-7,500
 Up to 80,000
 Up to 50 ppm ISO, Up to 75 general
 office mode black and colour
 Up to 2,050 sheets

5-15 users, continued

HP Colour LaserJet Enterprise M751dn printer

A3

RMPV¹⁵	Up to 40,000
Duty cycle	Up to 150,000
Print speed (A4)¹⁸	Up to 41 ppm black and colour
Maximum input²²	Up to 4,450 sheets

10-30 users

HP Colour LaserJet Professional CP5225 printer series

A3

RMPV¹⁵	1,500-5,000
Duty cycle	Up to 75,000
Print speed (A4)¹⁸	Up to 20 ppm black and colour
Maximum input²²	Up to 850 sheets

HP Colour LaserJet Enterprise M652 printer series

RMPV¹⁵	2,000-14,000
Duty cycle	Up to 100,000
Print speed (A4)¹⁸	Up to 47 ppm black and colour
Maximum input²²	Up to 3,200 sheets

HP Colour LaserJet Enterprise M653dn printer

RMPV¹⁵	3,000-17,000
Duty cycle	Up to 120,000
Print speed (A4)¹⁸	Up to 56 ppm black and colour
Maximum input²²	Up to 3,200 sheets

20+ users

HP Colour LaserJet Enterprise printer M856dn

A3

Notes

¹ HP's most advanced embedded security features are available on HP Enterprise-class devices with FutureSmart firmware 4.5 or above and is based on HP review of 2018 published embedded security features of competitive in-class printers. Only HP offers a combination of security features for integrity checking down to the BIOS with self-healing capabilities. HP PageWide Pro devices with secure boot capability offer best-in-Pro-class security features. For a list of compatible products, visit: hp.com/go/PrintersThatProtect. For more information, visit hp.com/go/PrinterSecurityClaims.

² Speed comparison based on manufacturers' published specifications of fastest available colour mode of Pro-class colour business A4 printers €300-€1,249 and A4 MFPs €400-€3,000 as of November 2015, leading in-class A3 colour ink/laser printers €1,410-€4,099 Euros and MFPs €2,820-€10,199 Euros as of April 2018, and Enterprise-class colour business A4 printers €500-€1,249 Euros and MFPs €1,000-€3,000 Euros as of November 2015, excluding other HP PageWide products, and products with 1% or lower market share using market share as reported by IDC as of Q4 2017, MSRP data provided by gap intelligence and/or Buyers Lab. HP PageWide speeds based on General Office mode and exclude first page. Learn more at hp.com/go/printerspeeds.

³ Energy claim based on TEC data reported on energystar.gov as of February 2018. Data normalised to determine energy efficiency of in-class colour laser printers and MFP with print speeds between 20-80 ppm as of February 2018. Subject to device settings. Actual results may vary.

⁴ Total cost of ownership comparison based on 150,000 pages for PageWide Pro A4 and 150,000 pages for PageWide Enterprise A4; manufacturers' published specifications for page yields and energy use; manufacturers' suggested retail price for HP hardware and supplies; average street prices for competitive devices; cost per page based on ISO yield with continuous printing in default mode with highest-available-capacity cartridges; and long-life consumables. Comparisons are to Pro-class colour business A4 printers €300-€800 and MFPs €400-€1,000 and Enterprise-class colour business A4 printers €500-€1,249 and MFPs €1,000-€3,000 as of November 2015, excluding products with 1% or lower market share as reported by IDC as of Q3 2015. Average yield based on ISO/IEC 24711 and continuous printing in default mode. Actual yield varies based on content of printed pages and other factors. HP PageWide Color 755 Printer and 774 MFP: Lowest printing operating cost claim does not apply. For more information, see hp.com/go/learnaboutsupplies and hp.com/go/PageWideClaims.

⁵ Based on 2019 Q1 shipments in the IDC Worldwide Quarterly Hardcopy Peripherals Tracker®, 2019 Q1 Release. Includes shipments of all (inkjet printers, laser printers, copiers and multifunction devices, including production units) commercial printer and laser segments defined by IDC.

⁶ Fade resistance based on paper-industry predictions for acid-free papers and Original HP inks; colourant stability data at room temperature based on similar systems tested per ISO 11798 and ISO 18909. Water resistance based on HP internal testing, using paper with the ColorLok® logo. For details, see hp.com/go/printpermanence.

⁷ Local printing requires mobile device and printer to be on the same network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See hp.com/go/mobileprinting for more details.

⁸ Mopria-certified HP printer and mobile device must be connected to the same wireless network or have a direct wireless connection. Performance is dependent on physical environment and distance from the wireless access point. Wireless operations are compatible with 2.4 GHz routers only.

⁹ For Wi-Fi Direct® printing, mobile device needs to be connected directly to the Wi-Fi signal of a Wi-Fi Direct capable MFP or printer prior to printing. Depending on mobile device, an app or driver may also be required. Wi-Fi Direct is a registered trademark of Wi-Fi Alliance®. For touch-to-print, mobile device must support NFC-enabled printing. For more information, see hp.com/go/mobileprinting.

¹⁰ Subscription or accessory may be required. For more information, visit hp.com/go/roam. To enable HP Roam, some devices may require firmware to be upgraded and an optional accessory to add Bluetooth® Low Energy (BLE) beaconing capabilities. Customer can purchase the HP Jetdirect 3100w BLE/NFC/Wireless accessory or the RadBeacon USB.

¹¹ HP JetAdvantage Security Manager must be purchased separately. To learn more, please visit hp.com/go/SecurityManager.

¹² HP Web Jetadmin is available for download at no additional charge at hp.com/go/wja. HP Web Jetadmin offers different levels of device support: HP essential fleet management with a core set of fleet management features for distributed enterprise such as branch offices or teleworker environments, and HP advanced fleet management with a comprehensive set of enterprise configuration features and management capabilities.

¹³ HP Universal Print Driver is available for download at no additional charge at hp.com/go/upd.

¹⁴ HP Auto-On/Auto-Off Technology capabilities subject to printer and settings; may require a firmware upgrade.

¹⁵ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

¹⁶ Printer requires ePrint account registration. App or software may be required. Wireless operations are compatible with 2.4 GHz operations only. Learn more at hp.com/go/mobileprinting.

¹⁷ Supports the following devices running iOS 4.2 or later: iPad, iPad 2, iPhone (3GS or later), iPod touch (3rd generation or later). Works with HP's AirPrint-enabled printers and requires the printer be connected to the same network as your iOS device. Wireless performance is dependent on physical environment and distance from the access point.

¹⁸ Either after first page or first set of pages. For more information, see hp.com/go/printerclaims.

¹⁹ OfficeJet ink cartridges: average based on ISO/IEC 24711 or HP testing methodology and continuous printing. PageWide cartridges: Average colour composite (C/M/Y) and black declared yields based on ISO/IEC 24711 and continuous printing. LaserJet print cartridges: declared yield value in accordance with ISO/IEC 19752. Actual yield varies considerably based on content of printed pages and other factors. For details see hp.com/go/learnaboutsupplies.

²⁰ The HP LaserJet Pro MFP M435nw is only available in specific countries in MEMA (Africa, ME, TR) and CEE (RU, CIS).

²¹ HP FutureSmart firmware is available on most HP Enterprise printers and MFPs. Some features enabled by future HP FutureSmart upgrades may not be available on older devices if, for example, physical product characteristics limit the functionality of the new feature.

²² Standard and maximum input capacities may vary by model. Maximum input capacity may require purchase of optional paper tray.

²³ Some solutions require download or additional purchase. Learn more at hp.com/go/printingsolutions.

²⁴ Buyer's Lab, Inc. named as its 2018 Winter Pick the HP OfficeJet Pro 7700 Series for Outstanding Tabloid Inkjet MFP for SMBs.

²⁵ CRN®, a brand of the Channel Company, has named the HP PageWide Enterprise Color Flow MFP 785z+ the overall winner in the 2018 Product of the Year Awards in the Printer category, along with sub-category wins in Technology, Revenue and Profit, and Customer Demand.
